BRYAN DAVE
AGUILAR

Junior Web Developer

Transitioning to a career as a Junior Web Developer with a love for learning and a commitment to getting really good at it. Good at building both the front and back ends of websites using HTML/CSS, JavaScript, PHP, and MySQL. Always hungry to learn more and try new things. Can work on my own projects and also do well in teams. Excited to use what I know and learn even more to become a great web developer.
